

# MONITOR SE

## DISCOVER SUPERIOR AUDIO PERFORMANCE, WITHOUT THE COST.

The stylish and affordable new Monitor SE Series is the perfect introduction to the world of high-performance audio. Sure it's packed with state-of-the-art technology, the kind of stuff only found on speakers that cost much more. But more important, the new Monitor SE Series is part of the Paradigm family of high performance loudspeakers, and just like all Paradigm loudspeakers, it's engineered to change the way you think and feel about your entertainment.

### ADVANCED TECHNOLOGY INCLUDES:

- Poly Cones with inverted caps, reverse roll surrounds and X-PAL™ Tweeters.
- Perforated Phase Alignment (PPA™) Lens smooths extended high frequency response for incredible detail.
- Computer optimized second-order crossovers, engineered for seamless dynamic integration.

Matte Black
